Entries

Entries for individuals and teams must be submitted through each fencer's national federation through the Website of the European Fencing Confederation. Deadline is Friday, 27th November 2026. Regulations limit each country to a maximum of 20 fencers, except the host country, which may enter a maximum of 64 fencers.

The entry fee is to be paid at the check-in registration:

Individual entry fee is 25 €

Team entry fee is 75 €

Referees

Individual competition

1-3 fencers	no referee required
4-9 fencers	1 referee
10-15 fencers	2 referees
16-20 fencers	3 referees

Team competition

1-2 teams	1 referee
3 or more teams	2 referees

Each participating country must provide trained referees in accordance with the table above, at their own expense. We are unfortunately not able to assist with finding referees. **Please note that the referee count is per competition per day per gender.**

All referees must be registered on the EFC site by their national federation. In the event where this requirement is not met, a penalty of 500 € will be charged for each missing referee. This penalty must be paid before the fencers from the offending country can begin to compete.

As referees are essential to the successful smooth running of the competition, referees are all required to stay until the end of the competition, so please plan travels according to the schedule.

All referees are required to participate to a seminar hosted one hour prior to the start of the competition. It will be chaired by the EFC Referees commission delegate. Participation is mandatory for the referees!

All masks must be approved at the weapon control before the competition starts.
